

The Ultimate MSN Games Zone Full List (Organized by Category)

Category	Game Title	Description & Gameplay
Card & Board Classics	Microsoft Solitaire Collection	The granddaddy of them all! Includes Klondike, Spider, FreeCell, Pyramid, and TriPeaks in one place.
	Hearts	The classic trick-taking game where the goal is to avoid hearts and keep the lowest score.
	Spades	A strategic partnership card game that rewards careful bidding and teamwork.
	Bridge by Arkadium	A faithful digital version of the complex and beloved 4-player trick-taking game.
	Chess by Arkadium	A clean, no-fuss chess game perfect for quick matches or deep strategic sessions.
	Backgammon by Arkadium	One of the oldest board games in the world, brought to life online.
	Checkers	The straightforward strategy classic where you jump to capture your opponent's pieces.
	Microsoft Klondike Solitaire	The specific, most-played version of Solitaire, all on its own.

	Microsoft Spider Solitaire	The beloved, challenging variant where you build sequences from King to Ace.
	Freecell Solitaire	A Solitaire variant where almost every deal is winnable with the right strategy.
	Canfield Solitaire	A notoriously difficult version of Solitaire for those seeking a real challenge.
	Crescent Solitaire	A unique two-deck Solitaire variant with a crescent-shaped layout.
	Golf Solitaire	Aim to clear the course by removing all cards in as few "strokes" as possible.
	Addiction Solitaire	A distinctive game where the aces are removed, and you must arrange all cards in a specific order.
Puzzle & Matching	Mahjongg Dimensions	A fast-paced 3D twist on classic tile-matching. Rotate a cube to find and match pairs.
	Microsoft Mahjong	The classic calm and contemplative tile-matching puzzle game.
	10x10 Classic	A modern, endless puzzle. Fit blocks on a 10x10 grid without running out of space.
	Microsoft Jewel 2	A sparkly, classic "match-3" gem-blasting puzzle game.

	Microsoft Bubble	A "bubble shooter" style game where you aim to match 3 or more bubbles of the same color.
	Gravity Blocks by Microsoft	A fresh take on the block puzzle, with new brick shapes and explosive powerups.
	Microsoft Minesweeper	The legendary logic game. Use numerical clues to clear a minefield without detonating a bomb.
	Memory Game	A simple yet brain-boosting game where you flip tiles to find matching pairs.
	Bubble Shooter	The archetypal arcade puzzle: fire spheres to create color matches and clear the board.
	Bubble Town	A charming arcade-puzzler where you must save a town by popping bubbles.
	Cubis 2	A creative 3D puzzle where you must clear a board of blocks using strategic thinking.
	Element Blocks	A relaxing block-dragging puzzle inspired by elements and natural shapes.
	Jewel Quest	An adventure-puzzle hybrid where you solve match-3 challenges in mysterious ruins.

Word & Trivia	Microsoft Ultimate Word Games	A comprehensive collection of top-tier word games in one package.
	Microsoft Wordament	A high-speed Boggle-like game where you find words on a 4x4 letter grid.
	Text Twist 2	An addictive anagram game where you create words from a set of letters before time runs out.
	Just Words	A simple, strategic game of selecting letters at random to form winning words.
	Code Word	A cerebral puzzle where you must use logic to crack a secret numerical code.
	Fill Ins	A unique crossword puzzle without any clues—you must figure out where the words fit.
	Daily Crossword	A new, classic crossword puzzle every day to test your vocabulary.
	The Daily Word Search	A timeless word search with ten hidden words in a grid of jumbled letters.
	Word Twister	A super-addictive anagram game with a rack of letter tiles to create words from.
Logic & Strategy	Microsoft Sudoku	The classic number-placement puzzle. Fill the grid so each

		row, column, and 3x3 box contains the digits 1-9.
	Daily Diagonal Sudoku	A Sudoku variant with an added diagonal rule for an extra layer of challenge.
	Block Champ	A 10x10 puzzle with a strategic twist, featuring frozen tiles that need to be cleared twice.
Action & Arcade	9-Ball Pool	A sleek virtual billiards game for fans of the cue sport.
	8 Ball Champion	Another classic pool challenge. "8 ball. Corner pocket."
	Bubble Mouse	A fun and frantic arcade game where you help a mouse pop bubbles.
	Landing Party	Defend Earth from a cute but determined alien invasion in this arcade-style game.
Casino & Dice	Texas Hold'em	A popular online poker game to practice your skills.
	5-Roll	A classic dice game of luck where you aim for the highest possible score.
Showcase & Premium	The Price is Right Plinko	A digital version of the most exciting game from the world-famous TV show.
	Om Nom: Run	A fun, runner-style game featuring the beloved character from "Cut the Rope".

Note: The MSN Games catalog is massive, reportedly numbering over 600 at one point. This table represents a definitive list of the highest-profile, permanent, and most well-loved classics on the platform. You may find additional niche, promotional, or less enduring titles popping up over time.
